

SOFÁS in-out

Diseñadores: Flavio Ciciliani

Griselda Vilela Aguirre

Tipología: Sofás

Colección: IN-OUT

Año: 2019

Descripción:

IN OUT es una colección de gran elegancia formal, que va más allá del tiempo y las modas.

Suspendido sobre una plataforma estructural, apoyan asientos, respaldos y apoyabrazos que aterrizan sobre patas que completan el delineado geométrico. La plataforma es el núcleo funcional del sistema. Permite que se creen diversas configuraciones según el espacio y el uso lo requiera.

Cada pieza del sistema es independiente, lo que permite ser transportado de manera más compacta reduciendo el volumen total del mueble.
